

## All-Purpose Cleaner | Indoor Ant Spray

### For cleaning:

Spray hard surfaces in kitchen and bathroom; wipe clean. Not for wood or glass.

**For ant elimination:** spray ants directly, wait 1 minute, then wipe away with paper towel.

### To refill:

2 cups (475 ml) warm water  
¼ cup (55 ml) white vinegar  
¼ cup (55 ml) Castile soap  
2 teaspoons Borax  
8-12 drops essential oil (tangerine)

Using a funnel, add ingredients to 24-ounce (700 ml) spray bottle in order listed. Add lid, shake gently to combine.
